November 17th, 1919

Professor G. A. Guess,
University of Toronto.
Dear Professor Guess:

As Secretary of the Special Committee of the Faculty of Applied Science which co-operated with the Department of Soldiers' Civil Re-Establishment I am forwarding to you from Sir James Lougheed his expression of the deep appreciation of the services rendered to the country by the members of the staff who personally assisted in the work of the department.

Sir James says at the same time that the cessation of active hostilities the premises and equipment will now be relinquished so that we may resume in full measure in them the usual activities of the University.

Will you be kind enough to inform the members of the Committee who did work in this department of the appreciation of the Minister ?

Yours sincerely,

President.
